

## Report on Celebration of World Environment Day, 2025, in Jhargram Government Medical College & Hospital

The World Environment Day, 2025 was celebrated in Jhargram Government Medical College & Hospital on 5<sup>th</sup> July, 2025, with tree plantation project in the new campus of this institution in Vidyasagarpally, under patronage of respected Principal madam and under supervision of Department of Community Medicine. Respected Principal Madam, Dean of Students Affairs, HOD and Faculty members of different disciplines graced this occasion with their valuable presence and active participation. MBBS students of batch 2022, 2023 & 2024, the 1<sup>st</sup> three batches of this youngest government medical college of west Bengal (estd. 2021) took part in this programme enthusiastically, under supervision of respected faculty member creating a beautiful example of unity and togetherness. Bakul, Krishnachura, Radhachura, Sirish, Lichee etc 20 trees were planted in the planned green areas of the campus in meticulously selected spots, keeping in mind about the green cover the trees will provide to the visitors of the hospital in future, along with the beautiful fragrant seasonal flowers, fruits, and green haven for birds. All of the respected faculty members delivered their valuable speech on the importance of protecting and nurturing the environment for sustainable & holistic health. The programme ended with hearts full of joy, and gratitude to mother nature.
