

ABOUT THE MBBS HOSTEL FOR GIRLS & BOYS

- HOSTEL FACILITY IS AVAILABLE TO MBBS STUDENTS ONLY.
- Living in the hostel is not mandatory, but if after hostel allotment, a student decides to leave hostel and arrange separate accommodation, taking a Hostel Clearance certificate is mandatory.
- The college authority is bound to provide hostel accommodation to 75% of annual student intake, but the college authority will try its best to provide accommodation to all the students without violating the guidelines.
- In case of scarcity of rooms, accommodation will be granted on priority basis (hostel committee will prioritize those applicants whose residential address is the farthest from this institution) by checking & comparing the documents of the students.
- The date of hostel allotment will be notified to the students by publishing the notice on the website in the NOTICE section.
- Hostel accommodation of 1st year students is separate from the accommodations of the senior students. 24 hour security service is available in each of the Girls' & Boys' hostels(MBBS). Both of the hostels are situated inside the new campus of Jhargram Government Medical College, adjacent to the new academic building , where all lecture & practical classes will be held.
- Jhargram Government Medical College is intolerant to ragging. Students are encouraged to speak with their mentors (selected faculties of this institution are given mentorship roles for specific students) / Hostel Superintendents/Dean of Students Affairs in case of any such difficulties
- Hostel Fee -
 - Hostel accommodation fee - Rs 12/month
 - Food - Canteen facility is provided. Price of food is as per the fixed rate chart approved by the canteen committee, payable by the student to the canteen regularly.
- How to reach the hostel -
 - How to reach Jhargram ? - please go to the contact menu of website (add the link)

After reaching Jhargram, go to the new campus of the medical college. New campus of the Jhargram Government Medical College is situated approximately 600 meters away from Jhargram Main Road (near Bongshi More), 2.8 kms away from Jhargram railway station, and 2.2 kms from the old hospital campus (Superspeciality Building). All these places are well connected with local transport services. The hostel is inside the medical college boundaries.

Room allotment

- Candidates have to apply for hostel with admission receipt, & copy of address proof
- Rooms will be allotted to the candidates by lottery method
- After lottery, an allotment letter will be given to the candidate bearing the signature and seal of college authority, details of the candidate, and the room number.
Exchange/disfiguration of allotment letter by the candidate is not allowed.
- Security staff of the hostel will permit the entry of candidates by checking the allotment letters

- common toilets and bathrooms are provided to the students in adequate numbers
- Cleaning staffs are provided to clean the shared spaces like corridors, stairs, common toilets, terrace, common rooms.
- living rooms allotted to students, attached bathrooms (if available) have to be cleaned by the students themselves, and cleaning staffs can not be forced to clean those rooms.
- Canteen is situated in ground floor of boys' & girls' hostel

Rules

Becoming a doctor means, learning a new way of life. We, the doctors have to work in many adverse scenarios. Protecting lives in limited resources are our future responsibility. Our mental and physical health is valuable. Our friendship with the fellow batchmates, juniors, seniors of our alma mater is precious and will remain for life.

Rules.....are there, to make this journey of life happier, and safer.

Security Rules

Jhargram is surrounded by forests. Some portions of the medical college campus are still under construction. Violating safety & security rules can be dangerous for a student. Medical College Authority will do the best possible with the available resources, for security & wellbeing of a student, within the boundaries of the medical college & hospital.

- The academic building and hostels are under strict security supervision
- Students are discouraged to move around the campus mindlessly
- Students are advised to follow the instructions written on the signages put by the construction authority
- The entrance of the girls' hostel is opened at 6 am and is closed at 6pm. Leaving the hostel after closure of the gate is only permitted in case of extreme emergency, like acute illness of a student who require immediate access to EMERGENCY (Hospital)
- Students must sign in the security register before leaving and after returning, clearly mentioning the time, and cause of leaving the hostel (to college/to home/to shopping etc). in case of going to places like, relative's house/friends house/tour etc, writing the full address of the destination is mandatory. Proxy signature is not allowed.
- Guardians are requested to sign in the guardians' register during their visit with the student. They have to mention if they are taking the student with them.
- GUARDIANS ARE NOT ALLOWED INSIDE THE HOSTEL STUDENT WILL VISIT THEIR GUARDIANS IN THE GROUND FLOOR VISITING AREA. GUEST ROOM FACILITY IS NOT AVAILABLE FOR THE STUDENTS
- People who are neither a student nor a staff is not allowed inside the hostel.

General rules

- Hostel monitors will be selected from the students, who will look after the fellow students,take care of their problems with the guidance of the Hostel Superintendent.
- Hostel is a shared place to do study. So, don't do anything which may disturb others.

- Cleanliness is the root of disease prevention and good state of mind. So, clean your own rooms regularly, wear clean comfortable modest clothes. Use the dustbins properly.
- While communicating with the staffs, be polite. If you have any complain against them, inform to the Hostel Monitor/Hostel Superintendent, but never act with them rudely.
- Use of any heavy electric appliance (heater, fridge, washing machine, air conditioner etc) is prohibited inside the hostel
- Use of fire for any purpose, bringing & keeping of any inflammable substance (like petroleum, kerosine, fireworks, etc) inside the hostel (except in the canteen by canteen people) is a punishable offense
- Misplacing of furniture, like bringing the furnitures from other rooms for own use is not allowed, and is a punishable offense
- Wastes are never to be kept anywhere other than the colour coded dustbins
- Pets are not allowed inside the hostel.
- Cleaning activities, like, regular disposal of garbages, regular moping of common areas with disinfectants, cleaning of weeds from the terrace, application of carbolic acid in appropriate places, cleaning of bathrooms, is to be monitored by the Hostel monitors and report to the hostel committee accordingly.
- Sudden/planned weekly hostel visits will be done by Hostel Superintendents. Students are encouraged to speak about any problem they are facing in the hostel.
- Students are strictly instructed to lock their almirahs/rooms when they are not in their rooms. Students are discouraged to keep any expensive article, vehicle in their possession inside the hostel. In case of theft of those goods hostel authority will not take any responsibility.
- Substance abuse inside the hostel is a punishable offense.

For repair works & technical supports

- In case of malfunctioning of any electric device/switchboards / wirings/plumbing etc students are requested to collect the application form from office & apply to the engineering department of the institute
- Service will be provided for repairing of only those things which are properties of the medical college.
- The applicant must attend the technical person when he comes for the repairwork. In case of the absence of the student, it is the student's responsibility to entrust a roommate/fellow batchmate with this task, and inform the on-duty security about it.
- No electrician/plumber/any technical person from outside is not permitted to enter inside the hostel.
